

CHeKT 15W IP Horn Outdoor Speaker

Available Model:
CKIPS15W

15 Watt IP Speaker

Combine video & audio systems into a single proactive security solution.

The CHeKT 15 Watt Outdoor IP Speaker is designed to withstand outdoor conditions with its IP67 waterproof design, and can provide audible alerts or warnings when integrated with your security and fire alarm systems, or can be applied to play background music and announcements. Featuring PoE connection, the CKIPS15W speaker eliminates the need for local power supply and offers greater flexibility and simplified setup.
